

# GENERALI WORLDWIDE TO BECOME UTMOST WORLDWIDE

## Notice of Sale

As previously announced, Generali Worldwide Insurance Company Limited is to be purchased by Life Company Consolidation Group Limited (LCCG) (subject to regulatory approval) and will be renamed Utmost Worldwide Limited.

As Utmost Worldwide Limited we will become part of the growing Utmost group of companies. Our employee benefits business line will operate under Utmost Corporate Solutions, a new brand created for this market in 2018.

We will have a different name but we remain the same company with the same team, the same products and the same specialist expertise, with the added benefit of being part of a wider family of Utmost companies focused on delivering exceptional employee benefit solutions.

We continue to be based and regulated in the premier international financial centre of Guernsey. We will also remain licensed in the British Virgin Islands, Bahamas, Cayman Islands and Jersey.

We will also continue to be the Generali Employee Benefits (GEB) Network partner for multinational companies with internationally mobile employees, offering an effective approach to global employee benefits management, including multinational pooling and captive insurance arrangements.

Generali is working closely with the Utmost team to ensure a smooth transition of ownership with no impact on the service we provide to our clients.

Completion of the transaction is subject to the approval of the relevant regulatory authorities.
